

REMARKS

Figs. 9 to 11 are submitted to replace Figs. 9 and 10 originally filed with the above-identified patent application. Original Figs. 9 and 10 belong to a different currently pending application and were improperly filed in the instant case. Each of the features of the new drawings is supported by the originally filed application. For example, page 11 references and describes Figs. 9 to 11 in the Brief Description of the Drawings section. The description of Fig. 9 does not make sense for the originally filed Fig. 9 but does for the replacement Fig. 9. Similarly, pages 34 to 38 discuss Figs. 9 to 11. The reference numbers do not match the numbers of originally filed Figs. 9 and 10 but do match the reference numbers of Figs. 9 to 11 on the replacement sheets. Accordingly, no new matter is added by any of the replacement drawings.

No fees are due in connection with this Preliminary Amendment. However, please charge Deposit Account No. 02-1818 for any insufficiency of payment.

If the Examiner has any questions regarding this Preliminary Amendment, Applicant respectfully requests that the Examiner contact the undersigned attorney.

Respectfully submitted,
